Annual Finance Update

At the AGM we were able to confirm that we had made enough money thanks to your support and hard work through the financial year to give the schools a WHOPPING **£4,000!** This was put towards the technology fund used to purchase the tablets and I-pads, the Christmas pantomime, the 50th birthday party, the leavers' parties and gifts, the Christmas parties and lunches, Easter Egg Hunt, Easter and harvest competition prizes and the special lunch prizes. Money well spent on enriching the school lives of all our children and giving them experiences they may not otherwise get. We hope to exceed this next year so that we can continue to provide these opportunities and more so we look forward to working with you to raise money for our children and our schools

THANK YOU!!
