What we fund:

We provide the school with additional monies each year that are used to provide the children with extra activities and rewards during the school year. These include:

- A Christmas performance at school
- The Entertainer for the Leavers' Party
- Prizes for Harvest and Easter competitions
- Easter eggs for the egg hunt
- Prizes for fun lunches
- Food, crackers and other items for the Christmas parties
- At the end of the 2016-2017 financial year there was enough to cover all that AND an additional £700 towards the Technology Fund!
- This year we are working with Governors to fund a potentially lifesaving defibrillator for the school - something any one of our children could need.
- And much, much more!

P.A.W.S.

How we raise funds; only with your help!

- Summer Fayre – this year we raised £1,550
- Christmas Fayre – Last year we made £1,300 and we want to beat that this year! Santa makes a special appearance and your children can be booked in for a story and gift.
- Discos – Three are held every year and they serve a 3-way purpose 1) The children have a great time with our enthusiastic DJ 2) all profits from the day goes to PAWS 3) we accompany them with no school uniform days in exchange for a donation of items to be sold.
- Cinema Nights – The children love the chance to watch a film on the projector and big screen whilst eating snacks, all profits go to PAWS, so we are looking to increase these during the year.
- Mother's and Father's Day sales – the children can buy a gift for their special grown-ups while raising funds
- Cake Sales
- Refreshment Sales at events
- Plus some new and exciting ideas for the 2017 -2018 school year!
