

Behaviour Briefing Sheet

Rainbow

If a child does something really impressive move them onto a rainbow. Complete a certificate/postcard for the child to take home to inform their parents. Please discuss this with the relevant Team Leader.

The Sun

All children start the day on the Sun.
Move the child to the White Cloud after an initial warning for any poor behaviour choice.

White Cloud

If behaviour choices improve move the child back to the Sun.
If there are further poor behaviour choices move the child to the Grey Cloud.

Grey Cloud

If behaviour choices improve move the child back to the White Cloud.
If there are further poor behaviour choices move the child to the Black Cloud.

Black Cloud

A child cannot move off a Black Cloud.
There is a form to fill in and parents need to be informed. Please discuss this with the relevant Team Leader.

The Federation Core Values are Respect, Empathy, Team Work, Pride, Perseverance and Trust. When appropriate, please refer to these with the children, especially when discussing behaviour choices.
We are a Rights Respecting Federation. Every class has a class charter which the children create and then sign in September. When appropriate please refer to these with the children, especially when discussing behaviour choices.

Serious poor behaviour, for example physically hurting another child or swearing, can result in an immediate Black Cloud.
