

Hello Badger Class,

I hope you have enjoyed your week. It was so lovely to see those of you that came in to visit us on Wednesday. I couldn't believe how much taller some of you looked! I know your new teachers were really pleased to meet you and are looking forward to you being in their classes in September. Thank you for the thoughtful cards and gifts you brought along for us. You will all receive a little something from Mrs Branch and I next week and we hope you enjoy using it over the summer.

As well as being in school this week, I have enjoyed an afternoon tea for a family birthday. We had yummy sandwiches and cakes as well as scones with jam and cream.

In school, we have enjoyed making our special boxes and writing down some things we want to share with our new teachers to go inside it. It was lovely to see some of you at home complete the activity too and I enjoyed reading the things you want to tell your new teacher.

On Seesaw next week, you will see there is a 'Summer Reading Challenge' and a 'Summer Activity Challenge' for you complete. (You may request a paper book if you prefer). I hope you enjoy these challenges and your new teachers are looking forward to discussing these with you in September.

I have really enjoyed teaching you all this year, thank you for all your hard work. Have a wonderful summer holiday and I'm looking forward to seeing you all back in school in September!

Mrs Hunt

Hi Badger Class,

Well I can't quite believe it, we have reached the end of your year in Badger Class. It wasn't exactly as we planned but I have been so impressed with how you have all stayed happy and smiley during a very unsettled time. Thank you for those children who came into school on Wednesday to say goodbye, although we saw lots of you in your lovely videos on See Saw it's not the same as seeing your smiley faces in person. You were very kind with the cards and gifts you bought for Mrs Hunt and me. As Mrs Hunt has said in her letter we have a little gift for you all too, which will be given to you if you are in school or if you at home. It's something to have fun with!

In school this week we took part in a sports day in our bubble, we completed some of the activities which you have on See Saw. If you haven't had a go at any virtual sports day activities yet, they are great fun and we'd love to see a video or photo of you doing some at home. You can get the whole family involved.

I have been busy making chocolate fudge this week for various family and friends, as well as for my son's teachers and classroom assistants. The problem I have when I make it is I have to test it once it's made to check its just right! ☺

I've had a wonderful time teaching you, I will miss you all your smiles, hugs and chats. I will still see you all around school and Otter Class will see me on Mondays as I will be teaching you every Monday and Mrs Robey will teach you the rest of the week.

Have an amazing summer holiday, you all deserve it! See you in September.

Hugs from

Mrs Branch
