

Friday 17th July 2020

Dear Willow Class,

How are you? I hope you are all having a good week. It was lovely to see lots of you yesterday to give you your reports and to say goodbye. I know that Mrs Titchener and Miss Oliver really enjoyed meeting you too.

This week in our bubble, we have been enjoying spending lots of time outside in the lovely weather. We are taking part in this year's Virtual Sports Day. You have been invited to join in on Seesaw too! You can choose when you would like to hold your own sports day at home and which events you would like to take part in. Why don't you get your family members involved? We would love to see photos or videos of you completing the challenges. Miss Matson is going to see which class has the most pupils taking part and which class completes the most challenges!

This has been our last full week of the school term so this will be my last letter to you before the summer holidays. I would like to say well done to all of you! You have made me so proud with your fantastic attitude towards your home learning. I am so lucky to have taught you in Willow Class this year. I hope you enjoy the summer holidays - make sure you rest and spend lots of time doing the things you love.

Look after yourselves and keep smiling!

Mrs Jones xx
