Dear Parents,

I am very disappointed to have to be writing to you about inappropriate adult behaviour but once again I have received complaints about swearing and inappropriate language that some parents are using on the federation site. The federation operates a zero tolerance approach to such behaviour.

Please be reminded that swearing and the use of inappropriate language will NOT be tolerated on the federation site at any time. As adults, it is important that we are good role models for children and that we model the behaviours we wish to see our children demonstrating as they grow up.

It is not possible for staff members to be present at all times and in all places to ensure adults on site are not swearing or using inappropriate language, so I am asking you as parents of children at our schools to be proactive. Please ensure I am made aware of any adult who you feel is acting inappropriately at any time on the federation site so that the matter can be dealt with appropriately.

I appreciate the content of this letter applies to only a minority and I am hoping that by working together, we can prevent this unpleasant behaviour reoccurring. If you'd like to discuss any aspect of this letter with me, please call in to the federation office.

Thank you for your cooperation.

Yours sincerely

Mrs. S. Mathlin

Head of Federation
