

in a world
where you can
be anything.
BE KIND.

Friday 17th July 2020

Dear Cherry class,

Well we can't quite believe that we are writing this letter to you today - the very last letter from our Y3 journey together. It was lovely to see so many of you yesterday collecting your reports and end of term bits and bobs. For those of you that we didn't get to catch up with - don't worry because guess what? We will still be here in September!!!

Although it's been a strange and difficult time for all of you whether you have been at home doing the online learning and home packs or whether you have been in one of the bubbles in school just remember how immensely proud Chester and I are of you. You have continued to make us smile every day with all your hard work, lovely messages and photos.

We hope that you have lots of time to rest and relax over the holidays and that you feel ready to take on your next adventures as you start preparing yourselves for life in Year 4! It's okay to feel nervous or worried but know that everyone around you will be there to help. Don't forget that Chester and I will still be able to give you a sneaky wave from across the corridor to make sure you are being the best that you can be! Here is our final positive message for you to think about as you start the next chapter of your journey!

Enjoy your summer holiday my lovely, brilliant and kind
#cherrychampions

Stay safe this summer!

Lots of love, chocolatey hugs and donutty dabs with extra sprinkles
on top!

Mrs Denning and Chester bear ☺ xxx
