

Dear Beech Class,

Well there we have it, we have completed the last full week of this half term! Just a few more days to go until you can all have a very well deserved break from school work. You have all been amazing all year and should be so proud of everything you have achieved throughout year 4. My first year at Winklebury has definitely been one I will never forget!

I really enjoyed seeing lots of you today to collect your reports and books, it was so great to have a quick catch up and to hear about what you have all been up to. I hope you all enjoyed the chance to meet your new teachers and are looking forward to year 5!

Well done again for all your hard work and everything you have achieved this year, I hope you have lots of happy memories from your time in year four.

Keep smiling, Have the best summer holidays and enjoy a very well deserved break with your families.

Miss Oliver x
