

Happy Friday Oak!

This is my last Friday letter....boohoo! We have almost come to the end of Y5 and the end of our lockdown learning. You have all been so amazing and coped so well with the complete change in education the past few months so give yourselves a big pat on the back for that.

It's been a funny week at school, all the displays are starting to come down and the classroom are being emptied ready for new names and work to go up ready for next year. It was so lovely to see lots of you on Monday though and thank you again for all my lovely gifts - I am a very lucky teacher! I couldn't believe how much some of you have grown, it made me realise just how long it has been since we've been in school together.

I hope you are all looking forward to being in Y6 with Miss King and Mrs Bailey - it will bring you new challenges but also lots of fun and responsibility. I know that they really enjoyed meeting you this week and are excited to get back to normal in September.

There will be some fun Maths and English activities on Seesaw next week, before the Summer holidays start at towards the end of the week so keep checking and working. Hopefully, you all have some lovely things planned for the summer, even if it's just having a break and spending time in the garden (that's what I'll be doing!). Well done for an unusual but successful Y5 and I'll see you across the corridor/next door in September.

Big smiles and virtual high fives,

Mrs Daly.
