

## Autumn 2 News from Year 3

This half term our topic has been 'Frozen Kingdom'. We have been learning about Iceland, finding out about the similarities and differences between Reykjavik and Basingstoke. We have enjoyed learning about what life is like for children in Iceland.

### *Iceland Art*

We have looked at the work of different artists before creating our own frozen landscape art using pastels.

### *Electricity*

This half term in science, we have been learning about electricity. We have learned about electrical sources and how electricity flows around circuits. In D.T. we built electrical circuits to light up Rudolph's nose - this will help him guide Father Christmas through the night sky!

## *Angels*

*In R.E. this half term, we have been focusing on the concept of 'angels'. We thought about the different types of angels including guardian and messenger angels. We have enjoyed making our own angel decorations!*
